

FALL 2022 CPEC EVENT

SEPTEMBER 17TH, 2022 | 9AM-3PM
HILTON GARDEN INN | WAUSAU

Join us and other like-minded citizens to celebrate and honor our Constitution.

The day's event will feature a powerful lineup that includes **Former WI Supreme Court Justice Dan Kelly, U.S. Senator Ron Johnson, Congressman Tom Tiffany, Investigative Journalist Jessica McBride, Radio Talk Show Hosts Vicki McKenna and Meg Ellefson** and other state and local conservatives as well as educational sessions that will educate, engage and motivate conservatives.

"Knowledge will forever govern ignorance, and a people who mean to be their own governors, must arm themselves with the power knowledge gives." - James Madison

"We the people." These three simple words at the beginning of the Constitution declare that national sovereignty is entrusted to us; the people. Government and politics impact almost every area of our lives, from how much tax you pay at the pump to what kind of gun you can buy. Now, more than ever before, our Constitutional rights are under attack. It's time for us to arm ourselves with knowledge, roll up our sleeves and get involved.

Participate with panels as they discuss the First and Second Amendments and how the legislature works. Learn about school choice and what to do about Critical Race Theory. Come prepared to get engaged in YOUR government with a day of training and networking to compel citizens to **GET INVOLVED**.
